

REMARKS

This amendment repeats amendments submitted on July 8, 2005 since the Examiner has not yet indicated whether those amendments have been entered. Specifically, claims 39-57, 60 and 63 are amended to recite a tangible computer accessible medium rather than a carrier medium. This amendment also includes additional changes to claims 61-63 inadvertently omitted from the July 8 submission. Specifically, claims 61-63 have been amended to correct minor antecedent basis issues. No claims have been added or canceled. Claims 1-63 are pending in the application. Applicants request that this amendment be entered pursuant to 37 CFR § 1.116(b) because it presents the claims in better form for consideration on appeal.
